

TECHNICAL DATA SHEET

JOKISCH FOSIA CLEAN FIVE (Jokisch 5-Function oil)

Universal for many applications.

Characteristics: Active substance 100% - pressurized with CO₂

APPLICATION

Five functions in one product:

- Cleaner
- Rust dissolver
- Lubrication
- Contact spray
- Corrosion protection

CHARACTERISTICS

- Permanent protection against corrosion
- Dispels moisture and water
- Eliminates screech noise
- Loosens rust, loosens up fixed connections
- High creep properties, acid free, not resinifying
- Excellent cleaning properties
- High content of active substance

HANDLING

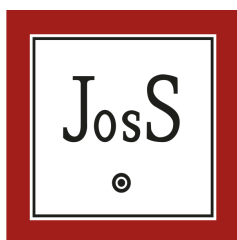

Apply evenly.

Use the spray nozzle for parts that are difficult to access.

If necessary, repeat the process from time to time so that the full effect is maintained.

STORAGE

Storage temperature:	5 – 40°C
Storage time:	36 months
